

Background Checks

Background checks uncover past employment data.

1 Criminal History

Criminal records and sex offender registry check.

2 Education Verification

Authentication of claimed educational degrees and certificates.

3 Reference Verification

Authenticating references listed in the application.

4 Motor Vehicle Records

Information on traffic offenses, accidents, and driving violations.

5 Credit History

Information about credit defaults, bankruptcies, and foreclosures.

6 Social Media

Checks for publicly available social media information.

7 Employment History

Verifying job roles, dates, responsibilities, and salaries.

8 Drug Screening

Testing for the presence of illegal substances.

Checks Required

Ohio law requires background checks for specific jobs.
