

Live Trading Classes in Agra | StockEd Academy

Transform your trading journey with India's most trusted live mentorship programme. Master the stock market with expert guidance, real-time strategies, and hands-on practice—right here in Agra.

Why Choose StockEd Academy?

Practical Training

Experience hands-on learning with real market exposure. Our sessions go beyond theory, putting you directly into live trading scenarios to build confidence and skill.

NISM Certified Mentors

Learn from industry experts who hold NISM certifications. Our mentors guide you through every step, sharing proven strategies and insider knowledge.

Trusted by Thousands

Join over 20,000 students who have successfully transformed their trading careers through our comprehensive online and offline training programmes.

The Live Mentorship Programme: A Game Changer

What Makes Us Different

Our live mentorship programme is designed to bridge the gap between theoretical knowledge and real-world trading success. You don't just learn—you **experience** the market alongside seasoned professionals.

01

Interactive Live Sessions

Engage directly with expert educators who teach you to read market trends, analyse patterns, and make informed decisions in real time.

02

Technical & Fundamental Mastery

Develop a solid understanding of both technical indicators and fundamental analysis through live market examples and case studies.

03

Daily Trading Streams

Watch and learn from verified trade executions. Our mentors share their profit & loss statements transparently, building trust and practical insights.

Community & Certification Benefits

Exclusive Trading Community

Connect with like-minded traders in our exclusive chat groups. Share insights, discuss strategies, and grow together with peers who share your passion for the markets.

Track Your Progress

Regular practice tests and interactive quizzes help you measure your learning journey. Get instant feedback and identify areas for improvement with our structured assessment system.

Industry-Recognised Certificates

Earn valuable certifications upon course completion. Showcase your trading expertise on LinkedIn and enhance your professional credibility in the financial sector.

Join StockEd Academy Today!

Empower Your Financial Independence

Master the art of trading with expert-led live classes designed to build real skills and confidence. Whether you're starting fresh or refining your approach, our comprehensive curriculum meets you where you are.

Flexible Learning for Everyone

Our programmes are tailored for students, working professionals, and skill seekers in Agra. Choose between online and offline modes that fit your schedule and learning style.
